4	TURKISH A Level	100	100	100

STUDENT DESTINATIONS

Students from our Sixth Form are taking degrees in an extraordinarily wide-range of disciplines at universities and colleges of art and design all across the country. It would be hard to find any good university in the UK that did not boast at least one member of Highgate Wood School's alumni. Cambridge, Oxford, London, Edinburgh, Sheffield, Sussex, Leeds, Loughborough, Bath, Bristol, Essex and East Anglia are just a few of the locations where our students are embarking on the next stage of their learning careers.

This success is largely due to the achievements of our students in their examinations. It is also helped, however, by the expert advice and guidance we provide. The Sixth Form team carefully guide the students through the UCAS process, and we have a dedicated careers officer to give information on other pathways and additional support programmes for Oxbridge and Medicine applicants.

A FEW OF OUR 2023 DESTINATIONS

Law & Criminology - University of Sheffield
 History - University of Leeds
 Chemistry - The University of Edinburgh
 Zoology - University of Bristol
 Psychology - University of Bath
 Economics & Maths - University of Leeds
