

Year 10

Subject: Combined Science

Week	Content
1	Students in for a staggered start
2	C1, B1, B2 Quick Recap (check if B2C2P2 are complete)
3	C2, P1 and P2 Quick Recap
4	B3 Digestive system
5	B3 Digestive system
6	C3 Bonding, structure & properties of matter (10 lessons)
7	C3 Bonding, structure & properties KAP1(on C1C2B1B2P1P2)
8	KAP1 DIRT P3 Energy resources, B4 Organising animal & plants
9	B4 Organising animal & plants
10	B4 Organising animal & plants
11	C4 Quantitative Chem (4 lessons)
12	P4 Electric circuits (6 lessons) KAP2
13	P4 Electric circuits
14	B5 Communicable diseases (5 lessons) KAP2 DIRT
15	B5 Communicable diseases (5 lessons) KAP2 DIRT
16	C5 Chemical changes (10 lessons)
17	C5 Chemical changes (10 lessons)
18	P5 Electricity in the home (6 lessons)
19	P5 Electricity in the home (6 lessons)
20	B6 Preventing & treating disease, KAP3
21	C6 Electrolysis (5 lessons) KAP3 DIRT
22	C6 Electrolysis, P6 Molecules & matter (6 lessons)
23	B7 Non-communicable diseases (5 lessons)

HIGHGATE WOOD SCHOOL: CURRICULUM MAP FOR KEY STAGE 4

24	B7 Non-communicable diseases (5 lessons)
25	C7 Energy changes (5 lessons) KAP4
26	C7 Energy changes + P7 Radioactivity (5 lessons)
27	P7 Radioactivity + B8 Photosynthesis (5 lessons) KAP4 DIRT
28	B8 Photosynthesis + B9 Respiration (3 lessons)
29	B9 Respiration + Revision for Mock
30	Revision for Mock
31	C8 Rate & equilibrium (6 lessons) KAP5
32	C8 Rate & equilibrium
33	C8 Rate & equilibrium+ C9 Crude oil and fuels (4 lessons) KAP5 DIRT
34	C9 Crude oil + B10 The nervous system (4 lessons)
35	MOCK exams (KAP6)
36	MOCK exams
37	B10 The nervous system + P8 Forces in balance (5 lessons)
38	P8 Forces in balance, B11 Hormonal coordination (7 lessons)
39	B11 Hormonal coordination
