

07 November 2019

Dear Parent/Carer

Literacy Assessments

As part of our emphasis on helping students develop reading and literacy, we will shortly be conducting reading and spelling assessments for all students in Key Stage 3.

All students in Year 8 will complete their assessments on Tuesday 12 November 2019. They will take place in one of the school computer rooms.

The assessments do not require any preparation as students are unable pass or fail. The results will help us identify and evaluate the work that has happened so far and implement additional interventions for students needing extra support.

Yours sincerely,

Mr M Dobrashian
