

	Year 9
Maths	<p>This week's module will be on Properties and naming of shapes and solids and possibly some Isometric drawing and describing transformations.</p> <p>*Students will be reminded via SMH to check their Google Classroom where staff will give a lesson by lesson instruction for their individual classes. Tasks will mainly be on MathsWatch and Sam Learning. Some staff might also post a PowerPoint and worksheet for completion.</p> <p><i>If students want more work or more challenging work they can email their class teacher, that way we won't overload other students.</i></p>
English	Reading response to non-fiction; creative writing; independent reading – all details on SMH
Science	Please see SMHW for updates
History	<p>On the 8th May it is VE Day when 75 years ago World War Two ended in Europe. This week all of KS3 are going to be finding out about what VE Day meant to the people at the time and what it means to us today. Work through the 2 powerpoints in Google classrooms. The first one explains VE day, read info, watch clips and complete activities. The 2nd one includes ideas for how you can commemorate VE day. Complete at least 1 of the tasks and post what you have done in google classrooms. Ideas include: creating a display for peace, calling someone who lived through WW2 and asking them about their experiences, have a VE Day party with your family, with food and music from 1945.</p>
Geography	A Closer Look at Plate Movement – Read the information sheet on the geography google classroom and answer the questions. Upload a picture of your work.
Computer Science	The internet Task will be set in show my homework and students will complete it on. https://www.senecalearning.com/
