

Key Stage Three Weekly Remote Learning Overview Week beginning 18th May

	Year 9
Maths	Continue with AREA PERIMETER AND VOLUME (PAV) Module. Week 2 of 2/3 week Module*Students will be reminded via SMH to check their Google Classroom where there will be instruction for their individual classes. Tasks will mainly be on MathsWatch/My Maths and Sam Learning. Some staff might also post PowerPoints and worksheets for completion. <i>If students want more work or more challenging work they can email their class teacher, that way we won't overload other students.</i>
English	Reading response to non-fiction; creative writing; independent reading – all details on SMH
Science	This week we START the Physics topic P1 Conservation and dissipation of energy Lesson P1.1 Changes in energy stores Lesson P1.2 Conservation of energy Specific instructions on SMHW and Google Classroom – these are different for different sets. Read these chapters from the relevant Kerboodle textbook. Write notes. Answer questions from the textbook. Work through the kerboodle activities (and MyMaths). Watch the free science lessons videos. Work through the BBC Bitesize activities. Attempt the activities set on SAMLearning. Mark and correct previous work. Complete daily goal on Tassomai.
History	History of Anti Semitism Watch clip from Anne Frank's House Museum https://www.youtube.com/watch?v=5Blwf72ynS8 Read through powerpoint in google classrooms and make a mind map of reasons for 3000 years of anti Semitism. Write a PEEL paragraph explaining why do you think Hitler's anti Semitism and racism were accepted by so many Germans.
Geography	Volcanoes - Read the information sheet on the geography Google Classroom and answer the questions in full sentences.
Computer Science	Recap topics 4 – 5. Tasks will be set in show my homework and students will complete it on. https://www.senecalearning.com/
French	Year 9 French: Half term summer 1, week 4: (last week we had a consolidation lesson on Food instead of starting on sport-) Free time activities <ul style="list-style-type: none"> • Sport • AQA French Foundation Oxford Theme 1: pages 52-62 Free-time activities
Spanish	Year 9 Spanish: Half term 1 summer week 4: Sport AQA Spanish Foundation Unit 3.2 Free-time activities: Food and eating out. Sport Pages: 52 to 62
Art	Direct observational work linked to Andy Warhol and pop art based on packaging and advertising.

Drama	<p>Creating a production – Script writing. Students are asked to focus on a memorable scene from the play/production they have been creating. They should write a script for this scene, using the guidelines on the power point. Published on Google Classroom and to be submitted this way.</p>
PE	<p>This week, we would like you to complete the following sections on SAM learning: - Effects of Exercise on the Body 'Revise' - Effects of Exercise on the Body A 'Test Questions' - All sections on Hockey Also you are to hand in your completed PE booklet which you have been working on for the past 4 weeks.</p>
PHSEE	<p>Financial Dilemmas - What influences spending? - What is fraud and identity theft? How can it be combated? Online Safety - How can we remain safe (financially) online?</p>
REP	<p>Religious attitudes to the animals Watch the two videos linked on religious views on the animals and complete the quiz.</p>
Technology	<p>Textiles Smart and Modern Materials Watch the Ted talk linked here, then use this information and bbc bitesize to help you complete the Google Doc summarizing the key points. Later in the week I will share the definitions with you so that you can mark your own work. I look forward to looking at your suggestions for new smart materials. Food Technology Food Provenance and Seasonality Read the two PPTs about Food Provenance and Seasonality carefully. Use the information and the instructions in the PPTs to complete the related work sheets (ws1-3). Later in the week we will share the answers with you so you can self assess your work Product Design Electrical Components Read the BBC bitesize resource. Use this and your prior knowledge to complete the Google Docs document. Later in the week we will share the answers with you so you can self assess your work.</p>
Music	<p>Please see Show My Homework for tasks and details.</p>
