

8th November 2020

Dear Year 8 Parent/Carer,

Year 8 Virtual Parents' Consultation Evening – Tuesday 17th November 2020

Year 8 Parents' Consultation Evening will take place from 3.30pm - 6.30pm on Tuesday 17th November. It will be conducted on-line but booked as usual through e-praise. The system should present parents with links on the evening, allowing them to attend the appointment with their child's teacher as a video call.

You are able to log on to e-praise on a computer with your own details, or those of your child. If you go to Community, then Parents Evening and click on the Year 8 Virtual Parents' Evening box, booking appointments should then be straightforward. If you have any difficulties accessing the system please email data@hws.haringey.sch.uk.

Appointment booking has been scheduled to open from the evening of Tuesday 10th November. Appointments will be available for all your child's subject teachers, with the exception of PHSE. You should not book appointments with your child's form tutor – unless in their role as a subject teacher – as the evening is designed exclusively for parents and carers to be able to discuss their child's progress in their different subjects.

As usual appointments will be on a first come, first served basis though the school will be contacting some families in advance to pre-book a few slots. Should a teacher become fully booked parents/carers will need to request feedback via telephone or email. This can be done by contacting members of staff directly, your child's form tutor or Head of House.

This will be our first venture into online parents' evenings and I do request that you bear with us should there be any technical glitches or other issues. I will write to you later this week with further details.

With thanks in advance for your support.

Yours faithfully,

Tristan Ashman
Assistant Headteacher
