

Dear Parent\Carer

We would like to help you secure extra data from your broadband provider. In order to do so we need you to confirm that you meet the criteria below:

- Your child is in years 3 to 11
- You do not have access to a [fixed broadband connection](#) (the request may be unsuccessful if the account holder also has broadband)
- You cannot afford the additional data needed to access educational resources
- You have access to a mobile device that uses a participating network
- Your child is facing disruption to their face-to-face education

## PRIVACY STATEMENT

We also need you to confirm that you have read the following Privacy Statement which is also available by following [this link](#):

For the purposes of data protection, I need to let you know that the Department for Education (DfE) is running the Mobile Network Offer through schools and their trusts or local authorities.

If the offer is taken up by an adult account holder, the school or social care team will share the account holder's name and mobile phone details with the DfE, who will share these with the relevant mobile network operator.

The mobile network operator will use that information to increase the data available for the account holder's mobile device, as long as they qualify for the offer.

The adult account holder's personal data is only shared with their mobile network operator for the purposes of the offer. No names of children or other adults, other than adult account holder, are shared with the DfE or the mobile network operator. No personal information will be shared with the DfE if you do not want to take up the offer.

If you want to know more about how your personal information will be used before you take up the offer, we can send that to you first.

If you decide to take up the offer, you'll get a text message from the Department for Education with more information about your data protection rights.

In order to complete the application we need the information listed on the next page. Providing this information signifies that you have read the Privacy Statement and your child meets the criteria.

Highgate Wood School Student Council supports individual action to address the issues of Climate Change and promotes the United Nations top 10 recommendations.

5-minute showers

Drive less

Lights off

Local produce

Recycle

Meat-free meals

Zero-waste fashion

Unplug

Refill and reuse

Bring your own bag

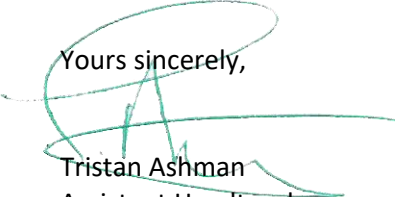

Please supply the following for the device that your child will need the extra data on to engage in remote learning effectively.

- the account holder's name
- their mobile number (a number beginning with '07')
- their mobile network
- whether it is pay monthly or pay as you go

As soon as I receive this information I will put in the application.

Take care and stay safe

Yours sincerely,

Tristan Ashman  
Assistant Headteacher
