#### NOTES:

This is your draft final evidence gathering assessment timetable. We have tried to balance having more time in lessons and so not starting too early with not having too many assessments in a day. Maintain the level of study we recommend before the assessment period. Please do not exceed this during the assessment period, possibly reduce it as you will have done all the preparation that is needed before they start. Prioritise rest, get an early night. Also remember:

- There will be some clashes, don't worry. These will be sorted out individually either by putting one exam after the first (with a break) if this is not too much stress (as in normal GCSE procedure) or scheduling on another day if needed.
- Bring a bottle of water, have a good breakfast.
- Be equipped for all exams! Spare black pens and pencil, calculator, ruler, protractor etc. We don't provide spare equipment.
- Don't panic about any issues, let us know and we can address them.

Good luck!

Mr Hartley
