**Ofsted – November 2016**

Dear Applicant,

I am delighted that you have shown an interest in the **Science Teacher** post at Highgate Wood School. On behalf of the Governing Body I look forward to receiving your application should you choose to join us and be part of our mission of 'Making a positive difference to students' achievements and experiences, maintaining the highest expectations and inspiring self-belief.'

At Highgate Wood School we are proud of the way our exam results continue to improve year on year at both key stages 4 and 5. This reflects the skill and dedication of our existing staff and the hard work of our fantastic students. I am sure you will get a sense of enthusiasm within the school for what we are accomplishing, and hope you can see yourself as someone who could share in this progress and make your own significant contribution in our collective journey to improve our students' experiences and outcomes even further.

A key aspect of our vision is the Growth Mindset. Drawing on the pioneering work of Professor Carol Dweck, we believe biggest influence on someone's success is not their genetic make-up, but rather how hard they work, how focused they are and how they respond to feedback. At Highgate Wood School we firmly believe in this idea of a Growth Mindset and recognise the huge importance of perseverance, resilience, focused practice and hard work in enabling people to grow, develop and achieve. Therefore we ask all members of the school community – students, staff, parents and governors – to adopt the principles of a Growth Mindset.

We have the good fortune to be located in a very attractive area of North London surrounded by woods and sports grounds. The school boasts excellent facilities, both within the classroom and beyond it. A significant part of the school was rebuilt or refurbished recently; we have extensive IT facilities, our own all weather sports pitch and tennis courts as well as enviably equipped music, art and drama classrooms and facilities. We also offer on-site car parking for staff. Highgate tube station is 10 minutes' walk from the school and the school is very close to bus routes W5, 41 and W3. The W7 bus offers a swift link to Finsbury Park tube and Hornsey over ground station in Crouch End is also close by.

Induction for new staff is well structured and effective and our exciting CPD provision offers a range of progression opportunities from completing your NQT training all the way through to NPQML and NPQSL qualifications. Staff are highly engaged with new educational ideas and frequently offer in-house training activities for colleagues, for example our weekly 15 minute forums drawing on the latest research ideas. We participate in the Employee Assistance Programme, which aims to provide further support for all staff. Staff well-being is a key concern, and we offer a range of support including a yoga session each week. Highgate Wood School is happy to support successful candidates in finding accommodation with the possibility of the school paying your deposit and claiming it back in monthly instalments through your salary.

Highgate Wood School is committed to safeguarding and promoting the welfare of children and young people and the post is subject to satisfactory references and an enhanced DBS check.

I hope you find our application pack helpful but I shall be pleased to answer any further questions you have.

**The closing date for applications is at 09.00 am on Monday 21<sup>st</sup> June 2021**

**Interviews to be held w/c 21<sup>st</sup> June 2021**
