

	Unit of work & brief outline of what will be covered.	Key Objectives – what will students learn	Assessment
1	Core Sports (for example: tennis, athletics, rounders, cricket, netball, dance, football)	To develop and perform a range of core and advanced skills within two sports that can be performed in isolated practices and competitive situations. To evaluate tactics used in performance and to peer and self-assess the use of tactics to bring about improvements in performance. To develop leadership skills within sport specific situations to lead small groups within a PE lesson	Practical assessment on skills, techniques and tactics within two sports covered, in isolation and competitive situations
2	Core Sports (for example: netball, football, basketball, badminton, hockey, dance, fitness)	To develop and perform a range of core and advanced skills within two sports that can be performed in isolated practices and competitive situations. To evaluate tactics used in performance and to peer and self-assess the use of tactics to bring about improvements in performance. To develop leadership skills within sport specific situations to lead small groups within a PE lesson	Practical assessment on skills, techniques and tactics within two sports covered, in isolation and competitive situations.
3	Core Sports (for example: netball, football, basketball, badminton, hockey, dance, fitness)	To develop and perform a range of core and advanced skills within two sports that can be performed in isolated practices and competitive situations. To evaluate tactics used in performance and to peer and self-assess the use of tactics to bring about improvements in performance. To develop leadership skills within sport specific situations to lead small groups within a PE lesson reflecting on own leadership	Practical assessment on skills, techniques and tactics within two sports covered, in isolation and competitive situations.
4	Core Sports (for example: netball, football, basketball, badminton, hockey, dance, fitness)	To develop and perform a range of core and advanced skills within two sports that can be performed in isolated practices and competitive situations. To evaluate tactics used in performance and to peer and self-assess the use of tactics to bring about improvements in performance.	Practical assessment on skills, techniques and tactics within two sports covered, in isolation and competitive situations.

		To develop leadership skills within sport specific situations to lead small groups within a PE lesson reflecting on own leadership	
5	Core Sports (for example: tennis, athletics, rounders, cricket, fitness)	To develop and perform a range of core and advanced skills within two sports that can be performed in isolated practices and competitive situations. To evaluate tactics used in performance and to peer and self-assess the use of tactics to bring about improvements in performance. To develop leadership skills within sport specific situations to lead small groups within a PE lesson evaluating own leadership skills	Practical assessment on skills, techniques and tactics within two sports covered, in isolation and competitive situations.
6	Core Sports (for example: tennis, athletics, rounders, cricket, fitness)	To develop and perform a range of core and advanced skills within two sports that can be performed in isolated practices and competitive situations. To describe tactics used in performance and to peer and self-assess the use of tactics to bring about improvements in performance. To develop leadership skills within sport specific situations to lead small groups within a PE lesson evaluating own leadership skills	Practical assessment on skills, techniques and tactics within two sports covered, in isolation and competitive situations.
