Parents and carers, as well as students, will be able to keep track of the homework that has been set, the merits that have been achieved and also any

behaviour incidents that have been recorded for their children, by logging into their Satchel One account. It is through Satchel One that we also share student reports

Parental account details will be made available to all in September. If you have any difficulty connecting to Satchel One please contact: data@hws.haringey.sch.uk

We use SCOPAY as the service to allow parents and carers to top up their children's cashless catering account online.

Scopay is also used for payments for trips and events, for book purchases, library overdue fees and music instrument tuition.

If you have any issues logging into your Scopay account please contact scopay@hws.haringey.sch.uk
